Dear Paul,

Somewhere I have a series of reports checking out a nightclub where, as I now recall, there had been wither reporting of the appearance of Oswald with a musician or a musician worked ho had been reported seen with Oswald, in New Orleans. My recollection is both clear and fuzzy, clear on the existence and my possession of these reports and fuzzy on the names and where I have them filed. In time, by checking, I'd find them.

I see, to recall the club as Terpsichore, but there is a street of this name in New Orleans. I think at least some of the names are slavic

If this strikes a familiar chord, please cue me in, and list the relevent doscs you may have, if any.

It may be that a piano player was involved, and it may also be there is some alleged gay involvement.

There is an immediate point in this but I won't now go into it.

Sincerely,
